

# Charlottesville Daylily Club

## PFM Fall 2012 Auction

<http://DaylilyFans.com/chdc/>

Created: Thursday November 17, 2011

**A GIFT FOR TREVA** - Display Only - ELLER, N.2010 - Nancy & Don Eller Daylilies (N. Eller) Tet, 26" SEv 6" Early,Reblooms, Fragrant. Pink with Cream ruffled edges tipped in Gold Wire, large Lime Green throat, and heavy substance. 3 way branching, 22 bud count. 97% dbl. Fertile Both Ways. [(Glazed Porcelain Truffle x Peaceful Serenity) x Treva In Pink]

**AQUADISIAC** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Aquadisiac HARRY, N. - 2010 - TET (Mystical Illusion X Seedling) Sev. 7 flowers, 30 scapes, 4 way branching, 30 buds.This cultivar represents blue eyed breeding taken to a new level, in that this flower is absolutely huge on large, very well branched and budded scapes. Aquadisiac sets a new standard for large blue eyed breeding. Listed at 7 but frequently approaches 9 inches. If blue eyed breeding is in your program AQUADISIAC is a must have! Stunning in the garden! Nicely fertile both ways.

**ART A FACT** - Display Only - ART A FACT (Ludlow Lambertson 2010) - Art Gallery Gardens TET 5.5" SevEMRe26" [Orchid Octopus X Seedling]ART A FACT is a very magical flower which started blooming in April and as I write this in late August is STILL blooming! ART A FACT is a bitone with light gray-lavender petals and very light cream-lavender sepals. A fascinating slate blue-purple eye and edge come out of the very green throat. ART A FACT has 4-way branching, with 25-plus buds. Fertile both ways.

**ART GALLERY ETCHING** - Display Only - ART GALLERY ETCHING (Ludlow Lambertson 2010) - Art Gallery Gardens TET 8" SevEERe30" [Intergalactic Interlude X Seedling]ART GALLERY ETCHING, a UF cascade, greets the garden season with extra early blooms. ART GALLERY ETCHING is a prolific bloomer with light yellow petals and sepals. An intriguing patterned red-purple etched eye has blue-purple veins and is outlined in purple. A grass green throat, 3 & 4-way branching and 20 buds complete this beautiful composition. Fertile both ways.

**ARTIST APPLIQUE** - Display Only - ARTIST APPLIQUE (Ludlow Lambertson 2010) - Art Gallery Gardens TET 9" SevERE36" [Aerial Appliqu X Seedling]ARTIST APPLIQUE is my favorite of the applique eyes that I've created. ARTIST APPLIQUE, a UF cascade, has very interesting color with grayed-lavender petals and light lavender sepals. The astonishing gray-purple eye is huge with the yellow applique setting the eye off. Very large green throat with 3-way branching and 20 buds. Fertile both

ways.

**BART ROBERTS** - \$90 - Patrick Stamile 2008 -27" TET EEEv 6.5" RE - very large orchid rose with a huge velvety blue red eye. Both clarity and vibrancy of color is fantastic. Siblings to BART ROBERTS also had prominent white sharks teeth outside the red border so it is unexpected that BART ROBERTS may be useful in structural edges as well as borders. Fertile both ways.

**BIRD TALK** - Display Only - BIRD TALK (Lambertson 05) Tet 6.5 Sev EM Re 24- Art Gallery Gardens ([Blue Eyes Glance Sdlg x Cretaceous Crunch] x Mildred Mitchell) BIRD TALK is a really spectacular patterned daylily! This very large flower of cream pastel with its stunning eye of smoky slate blue has points bursting out onto the petals. Red purple is etched around the outer eye. The petal edges have all the colors of the eye and are very sculptural, rising up and down with the outer edge having small gold teeth and serrations. BIRD TALK has 4-way branching, 25 buds. Fertile both ways. Fantastic complex eyed and edged kids! Wow!

**BIRDWALK** - Display Only - BIRDWALK (Ludlow Lambertson 2010) - Art Gallery Gardens TET 7.5"SevMRe24" [Bird Talk X Seedling] BIRDWALK is what I do everyday in the woods surrounding our home- something always happens to excite my soul. A walk in the garden and gazing on BIRDWALK- a child of the famous BIRD TALK- is also an exciting experience. BIRDWALK is a huge flower with amber-lavender petals and lighter sepals. Three bands of color show distinctly on a very large eye and edge composed of grayed blue-purple bordered in grayed-purple with an outer edge of gold on the petals, occasionally has some teeth. BIRDWALK has a big green throat with 4-way branching and 28 buds. Fertile both ways.

**BLUE DIAMOND MINE** - Display Only - BLUE DIAMOND MINE (Ludlow Lambertson 2010) - Art Gallery Gardens TET 5.5"SevERe28-30" [Blue Hippo Seedling X Indigo Bunting Seedling] BLUE DIAMOND MINE is the name of a song sung by an Irish friend of ours from Dublin town. BLUE DIAMOND MINE, the flower, sings its own miraculous song with pale lavender petals and lighter sepals. The eye and edge vibrate a stunning blue-purple with an outer gold lacy edge on the petals. BLUE DIAMOND MINE has a rich green throat with 3-way branching and 20-plus buds. Very fertile both ways- an important blue breeder. The kids are fab!

**BOLERO EYES** - \$75 - Carpenter - SPRING 2008 - TET 33-EMRe-6.5-EV - Stately large flat-faced flowers of excellent substance. Pink flowers which have bold eyes and edges of a magenta color, with a lovely green throat. Three-way branched scapes bear 17 buds. The cultivar is fertile both ways.

**CALL ME BLUE** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Call Me Blue HARRY, N. 2010 -(Ivan Attitude X Bluegrass Music) 33" TET 5 1/2" Ev.3-4 way branching, 25 buds. Call Me Blue is another example of my blue eyed program that displays excellent characteristics. Tall scapes, great color, and wonderful plant habit are a few of its traits.

**CALL ME CARLA** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Call Me Carla HARRY, N. 2009 -((Sundays Sandals X Crazy Ivan) X Lindas Magic) 28" TET6SEv 4 way branching with 45 buds. CALL ME CARLA really puts on a show with its candelabra branching, heavy substance, and overly round with blunt sepals give this flower a very diploidesque look. The flower color is creamy orchid with a lavender purple eye and edge. Fertile both ways.

**CHASING VENUS** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Chasing Venus HARRY, N. 2010 -(Bridey Greeson X Ruby Sunday) 28" TET6 SEv4 way branching, 26 buds. This triple-edged beauty is a wonderful performer. Amazing plant habit, large flowers, and size are some of its attributes. Very unusual colors reflected in both eye and edge. Very difficult to capture in photograph. Fertile both ways.

**CHERRY SWIZZLER** - \$125 - Stamile, P.2009 - 42 TET EE 12" Re -16 wingspan. 5-way branching (3 laterals plus terminal y). 35 buds. Classic spider. Spider ratio 6.1:1. This is one of our earliest flowers to bloom. When CHERRY SWIZZLER begins blooming there is literally a sea of green as a backdrop. Blooms are outfacing on tall well branched scapes. Both petals and sepals twist and curl as they cascade down. A lovely addition to the EE class. Fertile both ways but a difficult pod parent.

**DEFYING SERENITY** - Display Only - ELLER N. -2010 - Nancy & Don Eller Daylilies Tet 30" SEv 6" Early, Reblooms, Fragrant. Apple red with heavily ruffled edges tipped in cream. 3 way branching, 20 bud count. 95% dbl. Fertile Both Ways. (Treva In Red x Tet. Amandas Little Red Shoes)

**ELEGANT HARMONY** - \$75 - Carpenter, J.2008 -24 TET EMid EV 5 RE such a beautiful blending or combination of colors. The sepals are of a lighter coral pink and the petals have a moderately deeper coral pink color and are extravagantly edged with yellow pleates and ruffles. The flowers have lovely green throats. Three-way branched scapes bear 15 buds and plants repeat their bloom cycle. Fertile both ways.

**ESOTERIC DREAMS** - Display Only - ELLER, N. - 2010 - Nancy and Don Eller Daylilies Tet, 31" SEv 6.5" Early, Reblooms, Fragrant. Rose Pink Self, Gold Edge, Vivid Green Throat. 3 way Branching/ 18 buds. 95% Dbl. Fertile Both Ways. (Treva In Pink x Peaceful Serenity)

**FLIGHT PATTERN** - Display Only - LAMBERTSON 2010 - Art Gallery Gardens TET 7.5"SevERe32" [Razor Eyes X Intergalactic Interlude]FLIGHT PATTERN is patterned UF crispate with two distinct looks. The early blooms of FLIGHT PATTERN have medium yellow petals and sepals and a slight picotee edge. The superb patterned eye is a blend of deep blue-purple and some gray. The pattern also is on the sepals. The late season blooms have an eye pattern that turns to red-purple. A nice green throat, 4-way branching and 25-plus buds and a very long bloom season.

Fertile both ways.

**KIYA PAPAYA** - Display Only - ELLER, N. -2007 - Nancy & Don Eller Daylilies Tet, 30 SEv 6,EM, & 95% Double. Orange Papaya. [(Sherry Lane Carr x Jerry Pate Williams) x Seedling]

**MARION TYUS** - Display Only - ELLER, N. -2006 - Nancy & Don Eller Daylilies Tet, 26, Ev 5.5, E,Re, Fr, 95% Dbl. Purple, Dark Purple Eye, Yellow-Green Throat, 3-way branch/23 buds (Night Embers X Seedling)

**MINT OCTOPUS** - \$50 - Stamile, P.2009 -32 TET EMEv8 RE- Beautiful LONG PETALED mint green blend.Incredible bud count and branching. Its green cast offers a cooling aspect to the ordinarily hot colors of the daylily garden.Fertile both ways.

**NICOLE'S DRAMA QUEEN** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Nicoles Drama Queen Harry, N. 2009 - TET (Princess Diana X Lindas Magic) Sev. 6 3/4" flowers, 26" scapes, 4 way branching with 27 buds.This polychrome is the most sophisticated daylily I have released to date with impeccable color, shape, substance, size, and edge. NICOLE'S DRAMA QUEEN has it all.

**NICOLE'S FLAME ON** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Nicole's Flame On HARRY, N. 2010 -(Hopelessly Devoted X Ivan Attitude) 34" TET5 SEv4-5 way branching, 34 buds.This beautiful cultivar can be seen from across the garden. A glowing cherry red eye and ruffled edge on a clean light pink background are displayed to perfection tall 34 scapes. Fertile both ways.

**NICOLE'S SUPER SONIC** - Display Only - Cultivar can be viewed at Nicole's Daylilies. Nicole's Super Sonic HARRY, N. 2010 -(Wild Irish X Seedling) 27" TET6 Dor.4 way branching, 28 buds. These large wine burgundy flowers are set off with a gold throat and thick, heavy, matching edge. Super Sonic is a unique color combination . A dormant that performs in the North and South. Fertile both ways.

**PURPLE HONEY CREEPER** - Display Only - LAMBERTSON 2009 - Art Gallery Gardens TET 5.75"SevERe26" PURPLE HONEY CREEPER is a beautiful light blue eyed baby. PURPLE HONEY CREEPER has medium lavender-purple petals and sepals with a heavenly light blue-lavender eye and edge. Outer edge is cream. A large green throat infuses with the light blue eye. PURPLE HONEY CREEPER has 3-way branching, 20 buds and is fertile both ways.

**REALITY CHALLENGED** - Display Only - ELLER, N. -2010 - Nancy & Don Eller Daylilies Tet, 34"SEv 6.25"Early,Rebloom, Fragrant. Peachy Pink Polychrome, Serrated Gold Edge, Peach Cream Throat. 4 way branching/27 buds. 95% Dbl. Fertile Both Ways. (Tet Autumn Wood x Jerry Pate Williams)

**RED VELVET ELVIS** - Display Only - Cultivar can be viewed at: Nicole's Daylilies. Red Velvet Elvis HARRY, N. - 2009 - TET (SDLG X Wild Irish) 27" - 6 1/4"3 way branching with 25 buds. I know the description of like velvet has been overused, but if ever there was a daylily that truly captures this expression, this one is it. This saturated maroon red on a large beautifully shaped flower truly lives up to its namesake. Its intense petal color is accentuated by a ruffled white gold edge.

**RINGS OF WONDER** - \$150 - Stamile, P.2009 -28 TETESEv 5.5" RE -somewhat of a misnomer since the rings of color sometimes appear as pointed metallic chevrons of color along with the more traditional rings. The color is basically a cream yellow with a multicolor eye of plum and lavender. The eye sometimes can appear to be bands of deep lavender and light lavender as the plum morphs into a more lavender mode. Fertile both ways but a difficult pod parent.

**ROUGH AROUND THE EDGES** - Display Only - Cultivar can be viewed at: Nicole's Daylilies. Rough Around the Edges HARRY, N. - 2009 - TET (Jay Farquhar X SDLG) 6 flowers, 34 scapes,4 way branching, 27 buds. Another crowd favorite, this magenta red is dominated by a green throat and chartreuse edge with teeth, tentacles, and hooks. Fertile both ways.

**RUBY FIRE** - Display Only - Cultivar can be viewed at:Nicole's Daylilies. Ruby Fire HARRY, N. 2009 -(SDLG X Duke of Gasgone) 24" TET 5 1/2 Ev.3 way branching with 25 buds. Without a doubt, one of the largest yellow gold edges on a vibrant red flower in introduction today! RUBY FIRE is a knockout and a must have for breeding large edges on reds and other colors. Due to its moderate scape this should be a border daylily. Fertile both ways.

**TEXAS CARNIVAL DANCE** - \$35 - Carpenter, J.2007 -28" DIP E Ev 5" RE  
 -Looking at a clump of this brightly colored little flower one is given the impression of joy and frivolity, happiness and dancing. The flowers just seem to be spinning around and whirling as in a dance spin. TEXAS CARNIVAL DANCE is one of our earliest bloomers and repeats well and is in full bloom now at the end of June. Scapes have 5-way branching with 23 buds and repeat. Fertile both ways.

**TREVA IN PINK** - Display Only - ELLER, N. -2008 - Nancy & Don Eller Daylilies Tet, 28, SEv 5.5,E, Re, 99% Double. Soft Pink, Gold Wire Edge, Yellow Throat. 3 way Branching, 23 Buds. Fertile Both Ways. [(Ida's Magic x Sdlg) x Sdlg]

**TREVA IN RED** - Display Only - ELLER, N. -2007 - Nancy & Don Eller Daylilies Tet, 28 SEv5.5, Early, Re & 96% Double. Red with Light Wire Edge on Petaloids; Large Yellow Throat. (Night Embers x Seedling)

**WAXWING WATERCOLOR** - Display Only - LAMBERTSON 2010 - Art Gallery Gardens TET 5"EvMRe24" [Washed Watercolor X Seedling]WAXWING WATERCOLOR is a kid of WASHED WATERCOLOR. WAXWING WATERCOLOR is an ethereal pale creamy orange on petals and sepals with a magic pale blue-purple patterned eye and edge, and an orange-gold outer edge. WAXWING WATERCOLOR has a deep green throat with 3-way branching and 20 buds. Fertile both ways.
