### Prez Message

Happy New Year Everyone!!

I hope everyone gave 2011 a great send off last Saturday evening! I THINK I did as I feel pretty lousy today, January 1st!

About all I want to mention today are reminders! First we have the bus going to the Mid Winter in Nashville. Michael says we still have some space so be sure to contact him if you are planning on making the trip. It's really a nice way to spend the week end and you always learn a lot about new and different areas of gardening.

Next I want you all think about the hybridizers that you would like to have chosen for our Rewards program. Jim King will be sending out the identical invitations to each hybridizer chosen by the membership. We have decided to send the invitations in this manner so each has exactly the same information and if any hybridizer wants additional info Jim will dole out the facts exactly to each inquiry. (I hope that all makes sense!)

Last but certainly not least is the location of our meeting place! (The Republic Bank at Shelbyville Road and Blankenbaker Parkway.) Remember that if the Jefferson School System is closed because of bad weather, our meeting will be cancelled.

Have a Great Beginning of the New Year!!

**MESSAGE FROM BUD COLTHARP**

Happy New Year to all Region 10 clubs -

I am getting ready to update the AHS website membership portal, and need your updated list of 2012 club officers. - name, position, address, phone number and e-mail address. If you are receiving this e-mail, I have identified you as the president of your local club with the exception of one club in which the president had no e-mail address listed (Memphis). Janice, is it OK to continue to use you as the club contact? If the current AHS website information is correct for your club - just let me know and I will use that slate of officers for the portal.

Going forward in 2012, I will also be sending out periodic e-mails to the club presidents to help keep everyone abreast of Region 10 happenings.

Thanks in advance for your cooperation !!

Will (Bud) Coltharp  
Region 10 President/AHS Portal Administrator
